HTC Droid Incredible 4G LTE battery replacement

Replace your dying battery to bring the power back to your HTC Droid Incredible 4G LTE.

Written By: Tevin

INTRODUCTION

Replacing the battery may become necessary if the battery in the phone is not functional. If this happens, the phone will no longer be able to store a charge.

TOOLS:

- iFixit Opening Tools (1)

Step 1 — Battery

- Use the plastic opening tool to pry off back cover by inserting opening tool in the space indicated and pushing down on the handle of the tool.

Step 2

- Remove the battery after taking off the cover.

To reassemble your device, follow these instructions in reverse order.
